

Position: Electrical Installer
Location: Brooklyn, NY
Reports to: Lead Electrician
Hours: Full-time, Monday-Friday 8am-5pm; (some evenings/weekends) (Hours may vary)

About Brooklyn SolarWorks

Brooklyn SolarWorks was founded in 2015 with a purpose and mission to make solar appealing, easy, and available for all Brooklyn's urban homeowners. Having acknowledged the unique design for Brooklyn homes, BSW has pioneered entirely new design and installation methods that work around and elevate above these challenges. We are committed to building a diverse, sustainably minded, and ever-growing team to best serve our customers and clean energy overall.

About the Position:

Electrical Installers work in teams of 2-3 to complete installation of electrical equipment, conduit and wiring, and generally contribute to the completion of installations.

Responsibilities:

- Maintain compliance with and enforce all OSHA safety rules and protocols for the company. Promote job site safety, ensure safe work practices, and rectify job site hazard.
- Perform work to BSW standards.
- Responsible for being familiar with electrical aspects of BSW systems
- Communicate with the crew lead and rest of the team on the day's activities, progress and success.
- Report to crew leads to any issues that arise during installation.
- Work variable hours.
- Troubleshoot problems as they arise.
- Drive to the associated job locations for each day's appointment, as assigned by Crew lead/ Manager.
- Remain on site until the crew lead/ manager clears the team to leave.
- Clean up job sites and lower materials from off the roof after job completion.
- Carry out additional duties as required by Crew lead/ Manager.

Skills/Requirements:

- High school diploma is required.

- Valid Driver's license is required.
- OSHA 30 + 10 SST is required.
- Knowledge of solar equipment is strongly preferred.
- At least 2 years of construction experience.
- Physically able to lift up to 40lbs or more.
- Required to stand or walk for long periods at a time.
- Conduit bending.
- Familiarity with power tools
- Comfortable working on ladders and on roofs.
- Comfortable working in main panels.
- Strong time management skills.
- Good customer relation skills.
- Attendance and Punctuality.
- Attention to detail and strong organizational skills.
- A passion for Brooklyn SolarWork's mission.

Benefits/Compensation:

- \$23-\$25 per hour
- Health, Vision, Dental and Life Insurance
- 401k + Matching
- Company provided meals and snacks
- Transportation perks/benefits
- Paid Time Off
